

## Puget Sound South Vision

The vision of the Puget Sound South Senate is to foster the spirit of good sportsmanship, fellowship and friendships.

Our mission and urgency is to build and bridge the untapped territories, developing a strong multicultural force.

Our vision coupled with our mission is to diligently capture the steadfast sportsman with a passion and respect for the game of bowling.

Puget Sound South thrives on the opportunity to take flight as we expand working inside and outside of the local bowling houses.

Contact us today to find out what Puget Sound South is all about.
