* 9-Pin No-Tap Bowling - is a variation of tenpin bowling. The general rules are the same as they are for tenpin bowling. If a bowler knocks down nine pins on their first shot, it is scored as a strike. The pins are then reset and you move on to the next bowler/next frame. The bowler does not have to shoot a second shot. Knocking down all ten pins still counts as a strike also.

** This fun bowling night is fundraiser for the Portland—Bridgetown Invitational Tournament to be held, October, 2022. Details: www.bitbowl.org
